Renaissance Capital Africa

Last updated: 29 September 2026

This Cookie Policy explains how Renaissance Capital Africa and its subsidiaries and affiliates (together, the "RenCap Africa Group", "we", "us" or "our") use cookies and similar tracking technologies on rencapafrika.com (the "Site"). It should be read together with our Privacy Policy.

1. What Are Cookies?

Cookies are small text files placed on your device when you visit a website. They allow a site to recognise your device, remember your preferences, and understand how the site is being used.

2. Types of Cookies We Use

Depending on your settings, the Site may use the following categories of cookies:

- **Strictly necessary cookies** — required for the Site to function correctly (for example, security, load balancing, and remembering your cookie preferences). These cannot be switched off.
- **Performance and analytics cookies** — help us understand how visitors use the Site (such as pages visited and time spent) so that we can improve it.
- **Functionality cookies** — remember choices you make (such as language or region) to provide a more personalised experience.
- **Targeting or advertising cookies** — used to make advertising more relevant to you and to measure the effectiveness of campaigns, where such tools are enabled on the Site.

The specific cookies, retention periods and any third-party providers operating on the Site should be confirmed by way of a cookie audit and reflected here; the categories above describe standard practice for a corporate website of this kind and should be updated once that audit is complete.

3. Third-Party Cookies

Some cookies may be placed by third-party service providers (for example, analytics, hosting or content providers) who provide services on our behalf. We do not control these third parties' cookies and recommend that you review their own cookie and privacy notices.

4. Managing Your Cookie Preferences

You can manage or withdraw your consent to non-essential cookies at any time through the Site's cookie preference tool (where available) and by adjusting your browser settings to block, restrict or delete cookies. Please note that blocking strictly necessary cookies may affect the functionality of the Site.

5. Changes to This Cookie Policy

We may update this Cookie Policy from time to time to reflect changes in the cookies we use or for legal or regulatory reasons. The "Last updated" date above shows when it was last revised.
